BBNS Academy Headlines

April Student of the Month:

Our April Student of the month is (drum roll please).....

BBNS Academy is proud to present Destiny Best as our Student of the Month for April 2024! Destiny is a 15-year-old BBNS scholar that loves to sing and praise dance. Her favorite food to indulge in is seafood, especially those scrumptious "Crablegs." Her favorite color is Pink and her favorite Disney character is "Moana." Destiny wants to pursue a degree to become a Nurse Practitioner when she graduates High School, so that she can help others feel better.

Her current goals are to obtain a learners permit, and receive employment at her favorite eatery Chick-fil-A. Her dream is to one day meet her two favorite icons: Tyler Perry & Nicki Minaj. Because of her most improved attitude towards her education, and her willingness to always lend a helping hand to all staff and students; Destiny, was awarded the April Student of the Month award. Here at BBNS Academy, we had all our students and staff vote for who they believe should be the student of the month for April and Destiny won the popular vote amongst her peers and our staff. Congratulations Destiny, we are so very proud of who you are becoming!

William Dean is an Outstanding teacher. His students will tell you, "Mr. Dee is a funny, chilled, laid back teacher." The staff will tell you, "He is very serious, and no nonsense when it comes to the education of his students." As a math teacher & tutor, Mr. Dee spends hours on a daily, weekly, and monthly basis transferring his expertise on the skill of math to his students. He is always encouraging them to be the best that they can be. He also leads by example as he too is pursuing a college degree. Our students and staff voted, for who they believe should be the teacher of the month for April, and amongst the students and staff, Mr. Dee won the popular vote. We say Congratulations Mr. Dee you are truly one of a kind!
