BBNS Academy Headlines

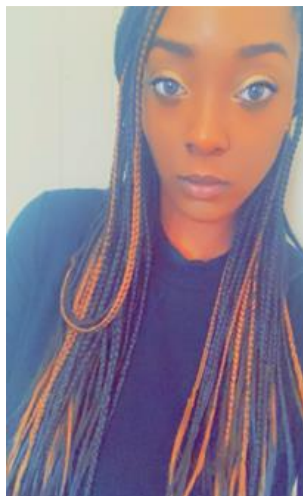

March Student of the Month:

SHALAU MCFADDEN

BBNS Academy is proud to present sweet, loving, and kind Shalau McFadden as our March Student of the Month! Shalau is a breath of fresh air. She is always joyful, and she stands up for what is right. She is always willing to learn, and she loves to contribute to the classroom environment. Additionally, here at BBNS Academy, we had all our students and staff vote for who they believe should be the student of the month, and Shalau won the popular vote amongst her peers and our staff. Some things that you should know about Shalau is that her favorite food is French Fries, her favorite Disney princess is Elsa, and her favorite game to play is hide and seek. Join us as we congratulate Shalau once again for winning student of the month!

Teacher of the Month

Congratulations to Miss Brejani for being our March teacher of the Month. Miss Brejani is our K4/K5 teacher, who consistently shows concern for her students by always making herself accessible to them and their parents. She goes way above and beyond her classroom duties in & out of the classroom. Miss Brejani also serves as BBNS Academy’s school administrator where her duties include overseeing the day-to-day functions of the school and creating a safe and productive learning environment for all students & staff. Her degree in Social Work is a bonus displayed by her excellent communication and interpersonal skills which have made a significant impact in the lives of our scholars and their families. Miss Brejani reminds us that “Every day is a Good Day to have a Good Day.”
