May Student of the Month:

Gino Pacheco

Gino Pacheco is an adventurous K4 student with a heart of gold. Gino loves to play with everyone and takes pride in protecting the ones that he loves. Gino can always be caught with a smile on his face or doing his favorite Fortnite dance. Gino is also family oriented. He loves his family and loves the fact that he can just travel over into the next classroom to show both of his brothers love. Gino is also a quick learner. If you sit and have a conversation with him, you will be able to soon see how wise and intelligent he is. Though Gino is in Miss Brejani’s K4 class, he is currently doing arithmetic on a 1st and 2nd grade level. Great job Gino! Congratulations on being selected as our student of the month for May 2024. Way to close out an amazing school year! Keep up the good work Gino Beano!

TEACHER OF THE MONTH:

Help us congratulate our May teacher of the month, Miss Laila! Miss Laila is our 1st-2nd grade teacher’s aide and our assistant Track and Field Coach. Miss Laila is always harder on our students because she knows that they can do more and be more. Miss Laila puts her all into teaching her students and is a big advocate for becoming a better version of yourself. In fact, Miss Laila just recently beat her personal track record, and is going to Christian nationals to compete this year. Also, Miss Laila graduates this May with a bachelor’s degree in Pre-law, looking to enroll in law school. Congratulations Miss Laila and thank you!
